

Utility Model Patent Certificate – English Translation (Reference Copy)

Issuing Authority: China National Intellectual Property Administration (CNIPA)

Patent Type: Utility Model Patent

Patent Title: Air Purification Device

Patent Number: ZL 2017 2 0380135.3

Application Date: 12 April 2017

Grant Date: 10 April 2018

Inventors: Li Sheng; Zhou Yan

Patentees: Li Sheng; Zhou Yan

This utility model patent certifies that the above-listed air purification device has been examined and granted legal protection under the patent laws of the People's Republic of China. The patent protects the structural and functional design of the device as filed.

This English version is a faithful translation prepared for clarity and reference. The original Chinese-language certificate, including official stamps and seals, remains the legally controlling document.
